

**NEXT MEETING: Wednesday, JULY 12, 7:00PM.**

The July meeting program will be Jeff Curtis, a retired American Airlines engineer, who will talk about and show musical instruments he creates.. The meeting will be as usual at the St. Stephens Methodist Church, 400 W. New Orleans, in Broken Arrow.

**June Program:** James Wallace discussed his carving history and style. All of his carvings are from found wood, cow leg bones (below), or material he was given. He does not plan his carving but just fits the subject to the shape of the wood.
