

## NEXT MEETING: Wednesday, January 11, 7:00PM.

The January meeting will be as usual at the St. Stephens Methodist Church, 400 W. New Orleans, in Broken Arrow. Be prepared to suggest subjects for monthly programs that you would like to see or a program you would be willing to give. Subjects can be on carving (style, tools, tips, adventures, etc.), historical carvings, works of art, tour of museums, an adventure in carving, carving resources, etc. Please bring Show and Tell items and/or a carving to judge.

Great North Nativty scene by Royall Sams was inspired by the culture of the North. Royall carved the nativity to reflect the garb and life of the woodsmen and animals that live in the colder climates of the north woods.

Does this sound familiar: In October 1998 newsletter was this item — “Bill Payne suggested that we do away with the monthly judging or change it to twice a year due to lack of pieces to be judged.” This was back in the day when we had 30-40 active members attend meetings. It appears that this suggestion spurred membership to act because subsequent newsletters have no mention of changing and continued to list results of monthly judging.

The club would like to see more participation in the monthly judging that has been tepid at best during the pandemic. Here’s how it works if you don’t know already. A member of **any ability** can bring **one** carving to be judged. A minimum of **two** carvings

from the membership are needed for the judging to take place. The **winner** of the monthly carving competition will then be **eligible** for the **Carver-of-the-Year** competition in December. At the present **any** subject **category** is acceptable. Only if participation reaches pre-pandemic levels will monthly categories be assigned. Carvings done at workshops are eligible if the instructor does not carve on the piece. Carvings done from rough-outs are eligible. Beginners need not be intimidated by advanced carvers. The whole judging process is designed to be a learning situation. It is through self criticism and constructive criticism from judges that a carver can progress. **PLEASE PARTICIPATE.**

## Carving from an Egg

Twenty-two years ago the club carved penguins and donated them to the Tulsa Zoo gift shop to sell. The money earned went to aid in their effort to add penguins to the Zoo. Here are two patterns that were included in the EOWA August and September 2000 newsletters. Those members who have acquired basswood eggs recently and don't know what to do with them here you are. You don't have to give them to the Zoo because their penguins are now in residence.

Bill Payne is working on this cowboy as he continues to inspire us all to do something (this carving is NOT PISTOL PETE he says).

**EOWA T-Shirts Now Available**  
 New EOWA t-shirts are available in time for the show. Cost is only \$12, so inexpensive you can't afford not to have one. Sizes available are Large, , and 3XLarge. See Bill Payne or Carol Alley to purchase.

If anyone is interested in contributing money or materials to the Blue Star Mothers Broken Arrow chapter contact Janet S. Viel, Chapter President, PO Box 3548 Broken Arrow OK 74103. Address: 1117 S. Main, Broken Arrow OK 74012. Email: [babluestars@yahoo.com](mailto:babluestars@yahoo.com)
